

39 YEARS Of Celebrating Our Heritage. IT'S A FAMILY REUNION!

We are Family, the Hairston-Gallant family and it's time to plan for the 2020 Hairston-Gallant family Reunion. All roads lead to Atlanta, Georgia! We have been blessed with a great legacy and heritage. One of the many definitions of family that I like is found in the Urban Dictionary: "A group of people, usually of the same blood (but do not have to be), who genuinely love, trust, care about, and look out for each other. Not to be mistaken with relatives sharing the same household who hate each other. REAL family is a bondage that cannot be broken by any means."
