

Well, the Hairston-Gallant family is at it again! Each year we strive to make our gathering bigger and better than ever before! With another year under our belts and a spring of new babies in the family, the tree just keeps on growing! We really hope to see all of your smiling faces together again!

As you're aware, this will be our 35th annual family reunion, and you can't have a family reunion without the entire family. So plan accordingly to make sure you are not left out of the fellowship, pictures, food and fun.
